Dear Parents,

We are training hard and aiming towards taking part in the 'Fun Run' element of the Belfast Marathon on Monday 01/05/17. This will be suitable for all children in the running club.

The staff will also take part and run with the children but parents will be responsible for transport to/from the event.

We feel this would be a great opportunity for the children, a great goal to work towards and more importantly good fun.

Enclosed is a registration form which you can fill in for your child and return to school and we will register online (with fee £13)

Details can be found on the link below
